Experience

Personal Portfolio   April 2023-May 2023

HTML,CSS,Javascript

This showcase my skill and knowledge of HTML,CSS, Javascript.I created this from scratch and used some resources from youtube and google.

E-Commerce Landing Page   July 2023-Aug 2023

HTML,CSS,Javascript

After my Protfolio page i decided to upgrade and then i created this web page.

Movie Web-Page   July 2023-Aug 2023

HTML ,CSS ,Javascript(Fetch API is used)

Since I learned some advance topic in javascript like async, await, arrow function , etc. Here i came to know about fetch , so i decided to create some pages using that.

Peronal Portfolio Upgraded   April 2023-May 2023

HTML, Tailwind CSS,Javascript

I had some basic knowledge of bootstarp so i shifted myself to Tailwind CSS framework and then i upgraded my portfolio web page.
